EMERGENCY TELEPHONE NUMBERS

Missouri State University Springfield Campus Safety & Transportation	65509
City of Springfield, Mountain Grove and West Plains Fire/Police	911

Missouri State University is a community of people with respect for diversity. The University emphasizes the dignity and equality common to all persons and adheres to a strict nondiscrimination policy regarding the treatment of individual faculty, staff, and students. In accord with federal law and applicable Missouri statutes, the University does not discriminate on the basis of race, color, religion, sex, national origin, ancestry, age, disability, or veteran status in employment or in any program or activity offered or sponsored by the University. In addition, the University does not discriminate on any basis (including, but not limited to, political affiliation and sexual orientation) not related to the applicable educational requirements for students or the applicable job requirements for employees. This policy shall not be interpreted in a manner as to violate the legal rights of religious organizations or military organizations associated with the Armed Forces of the United States of America. The University maintains a grievance procedure incorporating due process available to any person who believes he or she has been discriminated against. Missouri State University is an Equal Opportunity/Affirmative Action employer. Inquiries concerning the grievance procedure, Affirmative Action Plan, or compliance with federal and state laws and guidelines should be addressed to Jana Estergard, Equal Opportunity Officer, Park Central Office Building Ste. 111, 901 South National Avenue, Springfield, Missouri 65897, 417-836-4252.

TELEPHONE DIALING PROCEDURES AND SYSTEM FEATURES

■ Indicates Telecommunication Services programming may be required.

Contact Information

Telecommunication Services—Blair 153
Ext. 68580
TelecommunicationServices@MissouriState.edu
<http://telecom.missouristate.edu/>

Alert Ring Tones

One Ring—call from another extension
Two Rings—call from off-campus or the campus operator
Three Rings—priority call from another extension or busy automatic callback feature

Equipment Types

Single-Line phone receives one call at a time. Typical sets include:

- 2500 Series Phones
- 6200 Series Phones
- 8100 Series Phones

Multiline phone has more than one button for incoming calls and can receive more than one call at a time.

Typical sets include:

- 2400 Series Phones
- 6400 Series Phones
- 7400 Series Phones

User Guides are available online at
<http://telecom.missouristate.edu/>

Dialing Instructions

Extension-to-Extension Dialing

Dial the last five digits of the campus phone number.

Local Dialing

Dial 9 + phone number.

Note: All off-campus phone numbers using the same prefix in Springfield, West Plains, and Mtn. Grove are treated as a local call. Simply dial 9+ the seven-digit number to complete the call.

Domestic Long Distance Dialing

Dial 9 +1 + area code + phone number.

International Long Distance Dialing

Dial 9 +011+ country code + city code + phone number.

Note: You can use a long distance calling card or prepaid card. Long distance Authorization Code are available to resident students and to departments for long distance processing on phones that are blocked from long distance dialing. Contact Telecommunication Services for assistance.

Automatic Callback

This feature will automatically dial a busy station when it becomes available.

To auto callback on a single-line phone:

1. When you hear the busy tone, press [Flash] or press the switchhook for one second—listen for dial tone.
2. Dial * 5 plus the busy number.
3. Hang up.

To auto callback on a multiline phone:

1. When you hear the busy tone, press [Transfer]—listen for dial tone.
2. Dial * 5 plus the busy number.
3. Press [Transfer] and hang up.

The callback will ring as a priority call on your phone.

Call Forwarding

This feature allows you to direct your incoming calls to another extension or to an off-campus phone number of your choice.

To activate call forwarding on any phone:

1. Dial * 2—listen for dial tone.
2. Dial the destination number.

To cancel call forwarding:

1. Dial # 2.

Note: Forwarding to off-campus numbers requires special feature activation. Contact Telecommunication Services for activation of off-campus forwarding.

Call Pickup

This feature allows you to answer a call from another extension in your pickup group while you are at your phone.

1. Dial # 4.

Call Park

This feature allows you to place a call on hold, and then retrieve the call from another phone.

To park the call on a single-line phone:

1. Press [Flash] or press the switchhook for one second—listen for dial tone.

2. Dial # 0—listen for three short beeps and hang up.

To park the call on a multiline phone:

1. Press [Transfer]—listen for dial tone.
2. Dial # 0—listen for three short beeps.
3. Press [Transfer] and hang up.

To retrieve a parked call from another extension, on any type of phone:

1. Dial # 7—listen for three short beeps.
2. Dial the extension where the call is parked.

Call Waiting

This feature allows you to answer a second incoming call. Call waiting is only available on single-line phones and will not work if the phone normally covers to voicemail.

To answer call waiting option 1:

1. Hang up from the first call and wait for the incoming call to ring.

To answer call waiting option 2:

1. Press [Flash] or press the switchhook for one second—listen for dial tone.
2. Current call is placed on hold.
3. Dial *4 to connect to waiting call.

To return to call placed on hold:

1. Press [Flash] or press the switchhook for one second—listen for dial tone.
2. Dial *4 to connect to call on hold.

Conference Call

This feature allows you to add a third caller to the conversation.

To add a third-party on a single-line phone:

1. Establish the first call then press [Flash] or press the switchhook for one second—listen for dial tone.
2. Dial the next phone number.
3. Press [Flash] or the switchhook to join all parties.

To drop a third-party on a single-line phone:

1. Press [Flash] or the switchhook.

To add a third-party on a multiline phone:

1. Establish the first call then press [Conference]—listen for dial tone.
2. Dial the next phone number.
3. Press [Conference] to join all parties.

To drop a third-party on a multiline phone:

1. Press [Drop].

Note: The campus operator can establish conference calls of up to six parties. Dial 0 for assistance. For larger parties or for special situations call ext. 68580 for assistance.

Directed Call Pickup

This feature allows you to pick up an incoming call from any extension.

To use this feature on any phone:

1. Dial # 8—listen for dial tone.
2. Dial the number of the ringing phone.

Last Number Redial

This feature allows you to redial the last number placed from your phone.

To redial the last number dialed on any phone:

1. Dial # 9.

Priority Calling

This feature allows you to override the system coverage on a phone. As an example, if a phone is on send-all-calls, this feature will force the call to ring on the phone dialed.

To priority call on any phone:

1. Dial *1 plus the extension.

Send All Calls ■

This feature allows you to direct your incoming calls to call-coverage. The most common point of coverage is voicemail.

To activate send all calls on any phone with call coverage:

Dial * 3 or press [Send All Calls].

To cancel call coverage:

Dial # 3 or press [Send All Calls].

Note: This must be activated and cancelled at the user's phone.

Transfer

This feature allows you to transfer an established call to another extension.

To transfer from a single-line phone:

1. While the caller is on the line press [Flash] or press the switchhook for one second.
2. Dial the destination extension number.
3. Announce the call and hang up.

To transfer from a multiline phone:

1. With the caller on the line press [Transfer].
2. Dial the destination extension number.
3. Announce the call and press [Transfer].

Note: Transfers can be placed to extensions on the Springfield, West Plains or Mtn. Grove campus. Calls cannot be transferred off-campus.

SERVICES

Work Requests

Instructions for submitting a work request are located at <http://telecom.missouristate.edu/> Choose "Voice and Data Connections." For additional information call ext. 68580 or visit the Telecommunication Services Office.

Accessories that are compatible with the University's telephone system may be purchased through the Missouri State Bookstore. Policy prohibits the purchase of telecommunications equipment using the University P-Card.

Please do not modify voice or data equipment or wiring. Charges will be assessed for any damage incurred.

Repairs

Staff/ Faculty – Dial "0" to report phone problems. Dial 65891 to report data problems.

Residence Halls – Dial 64387 or contact a Residence Hall Assistant to report phone problems. Dial 66100 to report data problems.
