

Discover Engineering Day

Saturday, February 25th 2023

TIME: 12:00-3:00pm (visit at your leisure during this time)

COST: FREE TO ALL, no RSVP required.

INFORMATION: Every year in February the Missouri Society of Professional Engineers (MSPE) hosts a “Discover Engineering” event targeted to elementary-aged students and people elementary-aged at heart. The event has many different activities and demonstrations that show different aspects of engineering.

LOCATION: The Plaster Center for Free Enterprise, downtown Springfield (PARKING AT 406 N. Boonville Ave.)

PARKING: On Drury campus and neighborhood.

CONTACT: If you have questions or are interested in having a demonstration or activity contact:

Matthew Pierson (417) 837-2320 or

matthewpierson@missouristate.edu
