Missouri State Faculty and Staff:

You Can Help A Student!

Attend this training to learn more about supporting students struggling with mental health concerns, including how and where to refer students when necessary.

This 90-minute workshop uses interaction and conversations to teach audience members actionable ways they can support students in distress. This workshop is open to all Missouri State Faculty and Staff.

One-day training offered on the following dates:

- **Monday, November 20th at 9 am - Pummill 205**
- **Friday, December 8th at 10:30 am - Pummill 103**

Register today through My Learning Connection on My Missouri State.

Steps to access My Learning Connection:

- Log in to My Missouri State.
- Locate the Learning and Development Card.
- Click the My Learning Connection link.

Steps to locate the training in My Learning Connection:

1. Type "You Can Help A Student" in the search bar.
2. Click on "You Can Help A Student"
3. Once you are on the training page, click on "View Details", and then "Request" to register.
