

Annice McLean and Ching-Wen Chang produced a video for the Tech-Healthy Grandfamilies Series which is promoted jointly by the Springfield-Greene County Libraries and the “Be A Jewel Fund.” The Be a Jewel Fund raises awareness, provides support and resources for grandparents raising grandchildren. The “Technology Safety for Kids” video offers tips and strategies to help grandfamilies protect their young grandchildren in the digital world. This series will be posted on the library’s YouTube Channel and the Facebook page.
