

Missouri State Bear POWER

Promoting Opportunities for Work Education and Resilience

Bear POWER is excited to have our inaugural Fall start date for our third cohort as other Missouri State Students! Bear POWER is beginning to have their cohorts start in the Fall to mirror the more traditional Missouri State University Bears. Our students are excited to begin their journey, increase advocacy, independence, and grow into their optimal selves as all college students do.

Bear POWER was able to be a part of Arc of the Ozarks as guest during their board meeting for July 2021. Arc of the Ozarks is a local non-for-profit that helps people with disabilities direct their own lives. Bear POWER students can receive the “Tipsword Scholarship” through Arc of the Ozarks. This generous contribution from the Arc of the Ozarks allows our students to gain higher education. Thank you Arc of the Ozarks!

GO BEARS!!

We all handle and maneuver this time of COVID-19 differently, please take time to be gentle with yourself; difficult emotions are likely to rise up which is a normal reaction. The Missouri State Counseling Center or Community Counseling Centers are a great resource for you during this difficult time.
