## *Training Dates/Time(s)*

Dear His Legacy Member,

We are so excited to begin a new semester and a new chapter of His Legacy Ministries. His Legacy Ministries has expanded greatly over the past year, which has caused us to **restructure** and **revamp** a lot of things. We have a ton of great things already in store for us and look forward to making new memories and **accomplishing** great things as a ministry.

It is very important that we have *'all hands on deck'* in the beginning of the semester so that we can prepare adequately for our important recruitment process. We **need** you here for our beginning **training dates** and **meetings**.

## *General His Legacy Information*

Blessings and greetings,

The spring semester is quickly approaching and there are many logistical things to cross off our list. We have spent numerous hours working on planning a very successful semester that will be sure to bring joy to our members and supporters.

Along with this letter, we have also sent **sponsorship letters** for you to give to potential supporters of His Legacy. It is imperative that every member attempts to secure a sponsorship from his or her home church, organization, or business. These sponsorships are what keep our ministry excelling and growing towards our fullest potential. Without sponsorships our ministry cannot operate on a full time level. If any organization, family, or friend would like to sponsor us online, have them visit our website: [www.hislegacymisu.com/sponsorship](http://www.hislegacymisu.com/sponsorship).

There are also opportunities for your friends and family to assist us on making an impact on Missouri State's Campus. If they would like to donate, in order to help financially offset costs of our ministry, have them visit our giving tab on our website: [www.hislegacymisu.com/giving](http://www.hislegacymisu.com/giving).

This year, members of our praise dance, worship team, and occupy team are requested to pay dues that go toward travel expenses, lodging, t-shirts, services, and special events. These dues are a low cost of **\$50** per semester. If you have paid your dues for the year (**\$80**) you have no further financial obligation for the rest of the school year.

We understand that schooling alone is already an expensive cost for each of our members. We are willing to work with each student, to come up with payment alternatives and solutions that help ease any concern or worry that you may have. Thank you so much, for your generous contributions to His Legacy Ministries. We do not take your commitment lightly.

## *His Legacy Spring Calendar*

We have been very proactive this year in giving you important dates in advance. We ask that you fully commit, to being present for all of His Legacy's events, services, and engagements. Maximum participation is very important for a successful semester. If you will be **absent** to **any** His Legacy event, we ask that you please fill out our **Newly Relocated Absence Request Form** [www.hislegacymSU.com/absence](http://www.hislegacymSU.com/absence) at least 5 hours in advance of the scheduled event. An accumulation of unexcused absences could result in a suspension of your role on our ministry staff. Thank you for your cooperation and commitment towards the work of God! We look forward to making an **impact** for our generation *together*.

\*Please note...there will be some special travel dates, service events, and services added at a later date.
