Higher Education Experience

Interim Vice President for Administrative and Information Services July 2015 to present
ADMINISTRATIVE AND INFORMATION SERVICES – MISSOURI STATE UNIVERSITY

- Serve as the senior executive officer responsible for providing leadership and management to administrative and information services comprised of approximately 310 full-time employees within Computer Services, Environmental Management, Facilities Management, Human Resources, Planning, Design and Construction, Postal Services, Printing Services, Safety and Transportation, University Staff Ambassadors, and University Support Services.
- Advise the President on all matters pertaining to the management and operation of general administrative and information services functions for approximately 6 million square feet and a robust technology infrastructure.
- Responsible for an operating budget of approximately \$18 million and total budget of approximately \$40 million.
- Serve as legislative contact and liaison with the City of Springfield and Neighborhood Associations.

Associate Vice President for Administrative and Information Services February 2012 to present
ADMINISTRATIVE AND INFORMATION SERVICES – MISSOURI STATE UNIVERSITY

- Assist the Vice President for Administrative and Information Services by providing leadership within the Division and extending the range of communication, coordination, and supervision.
- Develop an annual budget and assist in the responsibility of an operating budget of approximately \$18 million and total budget of approximately \$40 million.
- Responsible for the development, coordination, and submission of the University's annual Capital Appropriations Request to the State of Missouri.
- Interface with community organizations, public officials, and on/off-campus leaders in support of University programs and projects of mutual interest.

Director-Business and Support Services July 2006 to February 2012
BUSINESS AND SUPPORT SERVICES – MISSOURI STATE UNIVERSITY-WEST PLAINS

- Conducted support affairs for the West Plains campus through planning, resourcing, and supervising construction capital projects, developed a campus master plan visioning guide, and managed physical plant and motor pool operations including the maintenance and repair of campus infrastructure.
- Managed real estate activities for the campus by conducting and supervising real estate procurements and divestments including appraisals, negotiations, legal recording procedures, and related records management.
- Conducted business affairs for the West Plains campus through developing an annual budget, exercising fiscal management for areas under direct supervision, and developing financial and managerial reporting models.
- Maximized institutional benefit and minimized liability of campus contracts and grants by reviewing and recommending approval of said contracts and grants in light of the adequacy of contract terminology and content and obligation of the physical resources of the campus.
- Managed Human Resources, payroll, procurement, and contracting functions on the West Plains campus.
- Ensured the safety of all students, faculty, and staff by developing comprehensive emergency plans for campus facilities and training on safety items.

Higher Education Experience

Assistant Director-Facilities and Operations

June 2001 to July 2006

RESIDENCE LIFE AND SERVICES – MISSOURI STATE UNIVERSITY

- Responsible for all aspects of the physical operation of 12 residence halls and apartment complexes housing 4,034 students.
- Managed contracts, maintained relationships with major vendors, and assisted in negotiations with the bargaining unit.
- Selected, trained, supervised, and evaluated staff including five administrative office personnel, two custodial supervisors, two custodial foremen, 39 custodians, student paint crew, student recycling coordinators, and student moving crew.
- Served as a liaison to the Physical Plant and oversaw the maintenance staff for facilities including one maintenance foreman, 10 mechanical staff, one HVAC mechanic, one plumber, one access control specialist, one painter, and four student workers.
- Managed laundry operations including supervision of one washer and dryer mechanic and one helper.
- Ensured the safety of all residents by developing a comprehensive emergency plan for the residence halls and apartments, and training Residence Life and Services staff on safety items.

Residence Hall Director

August 1999 to June 2002

RESIDENCE LIFE AND SERVICES – MISSOURI STATE UNIVERSITY

- Managed a first-year co-ed residence hall housing 115 honors students (2000 to 2002) and a residence hall housing 400 co-ed undergraduate students (1999 to 2000).
- Trained and supervised one assistant hall director, three resident assistants, one full-time receptionist, one full-time night host, and 15 student desk receptionists, and previously trained and supervised one assistant hall director, eight resident assistants, one full-time receptionist, one full-time night host, 20 student desk receptionists, and three academic tutors.
- Advised hall council, including a seven-member executive board, in planning and implementing residence hall programming.
- Acted as judicial officer reviewing policy violations and resident concerns.
- Directed the management operations of the residence hall by working with appropriate campus departments in the areas of occupancy, facility management, safety, and security.
- Monitored facilities to ensure damage control.
- Served on area coverage for a housing area of over 2,000 students, providing crisis intervention, responding to facility emergencies, and assisting with disciplinary situations.
