STAFF EXCELLENCE IN UNIVERSITY SERVICE AWARD WINNERS

The Staff Excellence in University Service Award is given annually to six Missouri State staff members in recognition of significant contributions to the university community. The recipients each receive a \$1,500 cash award funded by the university.

Full-time, regular employees in administrative, professional and support staff positions who do not hold faculty rank and have at least one year of full-time employment at Missouri State are eligible to receive an award.

The university wishes to recognize those staff employees who strive to do their jobs well on a daily basis, those who go above and beyond the call of duty in a special situation and those who have contributed in a significant way to the success of the university.
