"I learned about living abroad at an early age, as my family and I lived in Afghanistan for a year back in the 1970s. It was a much different country back then than it is today, believe me. I also have had a chance to travel elsewhere in Europe and Asia on several occasions. While living in Springfield the past 20 years, I have had the opportunity to learn about other countries, especially China, by being a "host family" for students and visitors from other countries. That has been a rewarding and life-changing experience for me and my family."

All are Welcome!
