

FACULTY, STUDENT & STAFF SEMINAR

Wednesday, October 24, 2012
4:00 PM
Strong Hall Room 1 (Lower Level)

The United Nations at 67 Is it still Relevant?

Ann Fuhrman*

UN Librarian, United Nations Depository
Meyer Library, Reference & Government Information Department
Missouri State University

Ann Fuhrman, Meyer Library's UN Librarian,
will discuss United Nations from her unique perspective

*Ann Fuhrman has a Masters in Information Science and Learning Technologies from the University of Missouri. She has worked in Meyer Library's United Nations depository since its inception, and speaks frequently to civic groups, community organizations and schools throughout Missouri about the work of the United Nations and the significance of Model United Nations simulations.

All are welcome!
