

The Springfield MCHRCR presents:

# Hiring and the law

## What *employees* need to know

In conjunction with the EEOC and the Missouri Human Rights Commission, the Mayors Commission on Human Rights and Community Relations presents an informative look at employment law and what you may or may not know about existing and new EEOC guidelines in the workplace. In a tough economy, it pays to know what your rights in the workplace are. Please try and attend one of these two sessions.

## Don't let yourself be a victim!
