### Wes' Personal Note:

"I grew up in Springfield, Missouri, was president of NAACP Youth Council, a student and community activist. I received my Juris Doctorate from San Diego Law School and co-founded local community action group, "The Gathering," to empower young people and create economic prosperity. Currently, I am reading *"Between Barack and a Hard Place: Racism and White Denial in the Age of Obama"* by Tim Wise. Please come and listen to my story of the "60's & 70's Springfield."
