Get the International Edge

See how international internships and practicums can enrich your life and add value to your degree!

While internships can provide a key advantage in landing a job, INTERNATIONAL internships combine valuable hands-on experience PLUS the opportunity to increase cultural awareness.

- *Build positive intercultural relationships and widen your social/professional network*
- *Customize your degree to fit your academic, career and life goals*
- *Enhance your résumé or graduate school application*
- *Expand your language proficiency*
- *See more of the world by taking advantage of affordable side excursions*
- *Prepare to be successful in a global economy and society*

Explore options offered by International Studies Abroad (ISA) in a variety of countries and fields of study. This informative session is hosted by Study Away Programs and ISA!
