

To make the greatest impact, the office of energy management is asking members of the Missouri State community to:

- Use natural light and turn off lights
- Use power strips – and turn them off when possible
- Unplug everything when not in use
- Shut down computers
- Take the stairs instead of elevators
- Adjust your thermostat to conserve energy
- Keep windows closed to help reduce heat/air loss

The university is also hosting several events throughout the month. All are free and open to the public.

April 4, 11, 18 and 25

Every Friday throughout April the campus will be participating in a voluntary **Hour without Power** from 5-6 p.m. Everyone is asked to flip the switch on all energy-consuming items.

April 7

Come to Glass 102 at 5:30 p.m. for the **Campus Conservation Nationals Kickoff Event** with special speakers. The documentary **Carbon Nation** will be shown at 6 p.m.

April 14

Test your knowledge at **Energy Trivia** at 7 p.m. in the Plaster Student Union foodcourt.

April 21

Collect all the clues on campus to win the **Energy Scavenger Hunt**. The event will begin at 7 p.m. at the Plaster Student Union bear statue.

April 25

The North Mall by the Bear Paw will be taken over from 10 a.m.-10 p.m. for a campus-wide celebration of **Ecopalooza**.
