

Let's welcome the fall 2021 Bears!

Residence Life, Housing and Dining Services invites you to join us in creating a welcoming Missouri State experience for our fall 2021 students through our tradition of *Bear Crew*! This program allows new students to interact with returning student leaders, faculty, and staff members as they begin their journeys at Missouri State during residence hall move-in. To assist with fostering a fantastic Missouri State experience, please take a moment to review the program information and complete a registration form linked below.

Volunteer to help with Missouri State move-in from August 18-21, 2021!

Serve as a Leader of Bear Crew

If you are interested in helping us lead volunteers by working half-day shifts, you can be a Bear Crew Leader! There is additional training which is provided with the orientation sessions for our Leaders. In addition to the t-shirts and meal vouchers provided to all student volunteers, Bear Crew Leaders will also receive a gift card for the MSU Bookstore. Students who have participated in Bear Crew in the past or who are familiar with our residence halls are encouraged to sign up for this opportunity.
